Mulch Madness 2009 – Delivery Complete!

Thank you to all rowers and parents who worked hard this past weekend to deliver mulch. Blessed with beautiful weather, the delivery efforts, which began early Friday evening and ended late Sunday afternoon, proceeded smoothly without an incident. The final bag count this year was 11,320 bags. Although this figure was slightly short of the initial goal of 12,000, an additional \$1,556 was collected in straight donations. A list of the final bag count per rower, in the order of the quantity sold, is attached for your information. As for the boys-girls mulch sales competition, the girls won 6822 to 5784.5. Congratulations, ladies!

Special thanks go to Lisa Russell, Carol Sanders, Jeff Leshner, Elizabeth Lockhart, Eric Fisher, Jennifer Schantz, and JP Wheeler for organizing and meticulously planning this important fundraising event for its successful execution.

The Club thanks the community for the strong support it extended to us in the form of assistance, mulch orders and donation. In particular, we would like to thank:

McLean Hardware Store for the donation of supplies,

McLean High School and Mrs. Kathy Veoni for allowing the Club to use the parking lot and alerting various people concerning our use of the lot,

Mr. Ed Seroskie, parent of a former rower, for assistance with forklift rental, and United Rental for assistance with forklift rental.

Chaperones Wanted for Spring Break Training Camp

Following is a message from Karen Bush on the upcoming spring training:

Spring Break Training Camp is a chaperoning opportunity that is different than the out-of-town regattas. The chaperone responsibilities are mellower at spring break. There is no pressure to get an entire boat to a race course on time at the crack of dawn. When the kids are on the water you can use your down time reading a book, sitting in the sun, riding in the launch with the coaches (invitation only). You are offered a unique opportunity to learn about the sport and observe the coaches and the rowers from a fly on the wall vantage point. You will have the time to get to know your rower's boat mates and the rest of the team in a way that is not afforded during the regular competitive season. The club "rewards" your personal sacrifice of with all expenses paid for the chaperone (room, board and travel that is). The fee for rowers this year will be \$450 and the packet of information will be arriving soon. This is our 3rd year attending Camp Cooper and for the past 3 years 5 parents have chaperoned every year and this year those chaperones are parents of seniors. (John DaCrema, Linda Layman-Peterson, Lisa and Robin Russell and me). I would like to take advantage of their veteran expertise and pair them up with some of the underclassmen parents to learn the ropes. In addition the position of Spring Break Coordinator will open up next year so if you are interested in stepping up to this post I will also provide on the job training. (It also earns points towards your dues commitment). So if you enjoy the great outdoors, pasta and Walmart please contact the Spring Break Training Camp Coordinator, Karen Bush for more details alaskan.raven@yahoo.com or 703-473-9140.

Please be on the lookout for the spring camp packet to be distributed to the rowers shortly.

Regatta Volunteers Needed to Fill Positions!

As was announced at the general meeting on March 10, VASRA has assigned McLean Crew Club specific regatta volunteer slots for the spring season. The remainder of the positions directly supports the regattas.

Each family is asked to sign up for one volunteer slot, referring to the separate Excel sheet listing the slots that the Club must fill, by contacting Lisa Russell at (703)536-0153 or at russ4bunch@aol.com. You may also indicate your preference on the Excel sheet and e-mail it back to Lisa. Please note that some slots are already filled, since sign-up began in January.

Some important notes:

- These VASRA assigned volunteer jobs involve prep work for our local (Occoquan and Georgetown) regattas and are separate from the point-rewarded McLean Crew volunteer jobs.
- Regatta volunteer positions are essential for the smooth and safe running of the regatta. A club is fined \$50 for any failure to fill an assigned slot, including no-show.
- Volunteers will be contacted with job confirmation and description.
- Please remember that it is a **requirement** that each family sign up for one regatta position during the season.

The following is the list of families that have already signed up for/fulfilled* their regatta/workday volunteer commitment:

Out of Town Regattas -

Following is a message from Karen Bush on out-of-town regattas:

We will be participating in part or as the entire team (depending on practice attendance and boat performance during the regular season) in the following regattas in New Jersey and Philly. I will provide more travel details about these events after mulch weekend. If you are available to chaperone any of these events please contact Regatta Chair, Karen Bush alaskan.raven@yahoo.com or 703-473-9140. If you are unable to chaperone but would like to go as a spectator I typically include extra discounted hotel rooms in our hotel block so if you will require a room please contact RC, Karen Bush as well. The rooms are assigned on a first come first serve basis and sell quickly. And you guessed it - the position of Regatta Chair will also open up next year as I am graduating. (woohoo) The Regatta Chair is a Board position and requires arranging the travel, hotel, food and chaperone requirements for ISA Sprints, Stotesbury and Nationals. For the most part it comes with the players already in motion (Next year Nationals will be held in Saratoga Springs). This position also earns point towards your dues commitment and if interested I can provide hands on training if that is to your liking.

Volunteers Needed

The Club is looking for adult volunteers to assist with:

- Grants, proposals, and donation soliciting
- Maintenance of crew trailers and equipment

Many of these jobs can be shared by two or more individuals, if desired, and all will earn your family valuable points. If interested in the above positions, please contact a Board member.

In addition, the position of Transportation Coordinator will be open next year. The position requires you to arrange a daily travel contract with a commercial bus company (W&S Tours has worked with the club's budget parameters for the past 3 years) and requires you to be available for communication with Bobby/Chris in the morning either directly or by voicemail and then get a blast email to the membership and school contacts.. This position earns points towards your dues commitment. If you are interested please contact Transportation Coordinator, Karen Bush alaskan.raven@yahoo.com or 703-473-9140 for questions and details.

VASRA Volunteers

VASRA is seeking parents who are interested in becoming referees. Necessary training will provided by VASRA. If interested, please contact a Board member

The golf tournament that had been scheduled for April 16 to raise funds to cover the cost of the new Occoquan race course has been cancelled for various reasons, including the current economic situation.
