DIRECTIONS:

- Start seeking donations on 1/1/2022.
- Turn in all donations in a regular envelope with your name on the outside.
- The envelope should contain all donations and this donation form.
- Please condense all cash received into a single check. For example, if five people give you \$20 each, their information should be entered above, and before turning in your envelope with this form, write a check to "McLean Crew Club" for the \$100 donated; whoever wrote the check then keeps the \$100 cash.
