1. What's In It For Me?

Why do we row? What drives rowers to repeat the same motion thousands of times a day? What draws some of the best athletes in the world to the sport? Benjamin Boehm, an MIT graduate and high school crew coach, takes a stab at all of these questions in the following essay. From (<http://www.rowersworld.com>)

Why I Love Crew By Benjamin Boehm

Second to rowing and coaching, one of my favorite things is talking about rowing and coaching. Rowers are often caught talking about this race or that race and about how great crew is and how much they love the sport. I've been told that crew is a love it or leave it sport. And those of us who love it can't get enough. So, I've been wondering what makes it so great and why it consumes us.

When people talk about how much they love crew, they rarely say that they row because the oar handle feels good in their hand, or the seats are comfortable. (Sure, when you place your hand on the handle, there is the thrill of anticipation, but would you take the oar home, just to hold onto it?) Non-rowers ask, "Is crew fun?" Well, think about the basics of the sport: going up and down the slide, putting the blade in the water, over and over and over. No. It's not fun. What's fun about that? Sure, sometimes there's interesting scenery, and sometimes the weather is nice. It's fun to hang out with your teammates after practice. But, catch-finish, catch-finish? It's not quite a birthday party at Chuck E. Cheese. But there seems to be something in addition to the actual rowing that makes it irresistible.

There are some things I know I like about the sport. I like waking up in the morning and feeling my whole body ache. I can feel every muscle and know it is there. I know I am alive. On days when I'm doing sprint pieces, I love to feel the lactic acid burn in my legs. Then after a rest, the first few strokes of the next piece feel like a dream as the lactic acid is used up by pushing off the foot stretchers. I could go on, but are these the reasons I, or anyone else rows? No. They are merely the symptoms of a greater love.

Hard work. As a rower, you get to test yourself. Every day, you go out and row as hard as you are capable of. You push your body and mind to their limits, and by doing so, you expand those limits. That's what people talk about when they talk about crew. They talk about how hard they've worked. They talk about how great it feels to achieve new milestones. They boast about achieving feats they once thought they could not and doing things others choke at the thought of trying. Our junior rowing director, Charlie Doyle, likes to say, "Anything is possible in the sport of rowing." Anybody can win a race, if they've worked hard. That's what's great. If you decide every day that you're going to be a champion, you can be one.

The Benefits

Rowing is a total body workout. Rowing only looks like an upper body sport. Although upper body strength is important, the strength of the rowing stroke comes from the legs. Rowing is one of the few athletic activities that involves all of the body's major muscle groups. It is a great aerobic workout, in the same vein as cross-country skiing, and is a low-impact sport on the joints.

Rowers are probably the world's best athletes. Rowing looks graceful, elegant and sometimes effortless when it is done well. Don't be fooled. Rowers haven't been called the world's most physically fit athletes for nothing. The sport demands endurance, strength,

- balance, mental discipline, and an ability to continue on when your body is demanding that you stop.
- Teamwork is number one. Rowing isn't a great sport for athletes looking for MVP status. It is, however, teamwork's best teacher. The athlete trying to stand out in an eight will only make the boat slower. The crew made up of individuals willing to sacrifice their personal goals for the team will be on the medal stand together. Winning teammates successfully match their desire, talent and blade work with one another. Excerpted from <http://www.usrowing.com>.

2. Expectations

Participation in the McLean Crew Club (MCC) goes beyond the individual rower or coxswain. Its success relies on participation from the family, as well as hard work and dedication from the coaches and athletes. (Throughout this handbook, the term “athlete” is used to refer to both rowers and coxswains, unless otherwise noted.)

2.1. Parents/Guardians

2.1.1. Commitment Summary

To operate, MCC needs a certain level of commitment from its members. Each athlete participating in MCC pays fees which include transportation fees for practice in the spring season. These fees do not include the costs of uniforms and out-of-town regattas. The payment options below emphasize different areas of support so members can select the commitment level that suits them best.

Table 1

Membership Fees per Athlete:	Option 1 (Standard)	Option 2 (High)	Option 3 (Max)	Due Dates
Mandatory				
Membership dues allow the club to provide: <ul style="list-style-type: none"> • Winter Conditioning (November 15 through late February), • Spring Training (late February through May), and • Competition in local regattas and State championships. 	\$2,800	\$4,050	\$5,300	3 payments: Nov 7, 2023 Feb 28, 2024 Apr 15, 2024
Volunteer support is required from all families.	6 credits	3 credits	0 credits	Complete or schedule by Apr 1, 2024
Fundraising offsets membership costs and contributes to our capital fund. Families are responsible for paying any amount not raised externally.	\$1,450			

Dues may be paid in full at any time, but no more than in three payments, due on **November 7, 2023, February 28, 2024, and April 15, 2024.**

Fee Exceptions: Financial assistance is available for families qualifying for Fairfax County Public Schools free/reduced meal program. Please contact the Club’s president to make arrangements.

Additional Fees Details: Refer to 4.1 Fees Description Section of this Membership packet for a list of additional fees members may incur.

Volunteering Details: See Section 3.5.1.4 Fundraising Participation for a description of the Club’s volunteer requirements and Section 5 Volunteer Opportunities and Credits for volunteer opportunities. Other than coaches, there is no paid staff to operate MCC and perform support activities. To operate, the club needs members to perform tasks for specific events. Members can choose from the three options listed above.

2.1.2. Conduct

- Respect the coaches as the final authorities on boat selection and rowing matters.
- Remember and respect that coaches seek only to create the fastest possible lineups.
- While decisions are subjective, they are not personal.
- When chaperoning crew activities, remember that you are a role model.
- When participating in crew events, remember that you represent the McLean Crew Club.
- Consider the 2 hours before and after a regatta event and allow your athlete this time exclusively for their coach and boat.
- Not all rowers will race in every race. While coaches strive to have every rower race at least once during the season, limitations in the size of boats and regattas create a scenario in which all athletes may not race every weekend.

2.1.3. Forms

Parents and athletes are responsible for completing and submitting all required documents for participation. Completed forms should be delivered electronically via DocuSign or may be handed in at the November Membership Meeting, delivered to the “Crew” mailbox in the MHS Activities Office, or mailed to the Club’s P.O. Box (McLean Crew Club, PO Box 7104, McLean, VA 22106). All forms must be received in order for athletes to participate in MCC activities, including practices. All required forms are available on the club’s web site (www.mcleancrew.org) under “Forms and Documents/Registration Forms”. Refer to Section 7 Forms for a list of the required registration forms.

2.2. Athletes

2.2.1. Commitment Expected

- Work hard in order to improve and strive to achieve individual goals.
- Be supportive of the team by accepting coaching decisions.
- Seek feedback. If you don’t know where you stand, ask.
- Realize team goals come before the needs or desires of any individual.

- Treat all teammates, opponents, coaches, officials, Club members, and equipment with respect.
- Club members are required to participate as McLean HS student athletes in all regattas. Athletes are encouraged to participate in other programs during the off-season (summer, fall) with their coach’s approval.
- All athletes are expected to participate in winter conditioning. Any conflicts must be resolved with the coaches in advance.
- **When on-the-water training begins in late February/early March, all athletes are required to be at each practice.** Rowing is a team sport; the absence of one athlete keeps an entire boat off the water. Unexcused absences are unacceptable. Any excused absences must be minimized and consist of doctor appointments and academic events that are unavoidable and supported by written notes from the treating physician or supervising faculty. Practices will be planned to maximize boat time. When not assigned a team activity, athletes must show initiative and dedication to self-improvement.

Participation in the Spring 2024 practice and regatta season is mandatory and transportation to and from MHS and Thompson’s Boat Center (TBC) for practices will be provided for athletes during the school week. During MHS’s spring break (March 25 - 29, 2024), there will be (A) mandatory practices in the mornings and (B) optional team building events in the afternoon/evenings.

2.2.2. Required Conduct

Table 2

Event	Expectation
Races	Each boat will be required to arrive at the race location at a specific time set by the coach. Be punctual; your boat will not row if you are not on time.
	If you awaken sick and cannot compete, notify the coach immediately, and as early as possible.
	By the rules, all rowers MUST wear the same designated racing attire.
	McLean athletes are expected to exhibit the highest standard of sportsmanship and support for the team at competitions.
	Exemplary conduct is expected at away races, including during bus rides, hotel stays and team meals.
School	Keep in mind you are representing McLean Crew at all times at school and races. Your behavior reflects on MCC.
	Keep things in perspective. School and family come before crew. At the same time, you have an important commitment to your crew teammates that will require discipline and sacrifices on your part. Contact your coach as soon as possible if you need time away from crew. However, you should schedule optional activities around crew.
Personal Responsibility	No alcohol, drugs, including performance enhancing drugs, tobacco, or vaping. Use of any of these at any time during the season may lead to automatic dismissal from the team without any fee refunds. The team is a self-policed group. Members must watch out for each other. Members have a responsibility to each other to keep themselves and their teammates eligible to compete. Let the captains or a coach know as soon as possible if

	someone on the team is hurting the team or themselves by breaking the training rules.
At the Boathouse, Weight Room, Rowing Trailers, and on Buses	Crew members are expected to exhibit mature behavior at all times.
	Demonstrate pride in the team, McLean High School, and yourself by avoiding horseplay.
	Do not touch, move or handle things that do not belong to you. This includes personal items and other team equipment.
	A coach must always be at the boathouse with you. If you arrive early, wait outside the boathouse until a coach arrives.
	When land training, stay in groups. Complete the assigned workout in the designated area only.
	If you have a conflict with anyone at the boathouse, report it immediately to a coach or race official.
Safety Rules	Everyone must pass a swim test before going on the water for the first time.
	All boats will be accompanied by a coaching launch after moving out of the designated launching and docking area. Do not row unless a coach is in sight.
	If a boat swamps or turns over, stay with the boat. It will keep afloat until you can be picked up by the coach's launch. NEVER LEAVE THE BOAT.
	When the boat is moving or in the water, follow the directions of the coxswain and the coach. On a professional boat, only the coxswain talks. On all boats, only the coxswain or another individual designated by the coach talk.
	If you or someone else is injured, notify the coach immediately.
	Everyone in the launch MUST wear a personal flotation device!
Equipment Rules	Rowing equipment is very expensive and must be handled with care. Follow all directions of coaches and coxswains regarding the handling of equipment. Intentional mistreatment of equipment may lead to expulsion from the program and/or replacement/repair charges.
	Boats and oars are very long--watch their swing while moving them.
	Unnecessary talking and horseplay are not permitted when handling or using equipment.
	Always focus on the task.
	All athletes must participate in routine cleaning and maintenance of equipment.
	Report any equipment problems to a coach or Club representative immediately.

2.2.3. Fundraising Participation

All rowers are expected to participate in **the Winter Fundraiser, the Erg-a-thon, and Mulch Madness**, even if families have already met their volunteer requirements. These fundraisers are a critical part of our budget and allow us to keep the required membership fees manageable for our athletes and their families.

2.2.4. Varsity Letters

While Fairfax County does not recognize Crew as a varsity sport, McLean High School does recognize the program with varsity status and thus provides varsity letters to qualifying crew members. Varsity letters are awarded to athletes who:

- Participate successfully in a Championship Event (as approved by the High School Crew Council) at the State Virginia Scholastic Rowing Association (VASRA) Championships; and
- Consistently participate in mandatory and non-mandatory activities such as rigging for a regatta, de-rigging and racking boats before and after a regatta, work sessions with the coaches at the boathouse, etc.

2.3.Coaches

- Provide feedback to the athletes so they know their areas of strength and weakness.
- Make fair assessments in order to achieve the fastest lineups. When selections are made, hold individual conferences to explain decisions.
- Communicate the need for any subsequent lineup changes.
- Maintain athletes' expectations with full disclosure of expectations and requirements to achieve all goals.
- Maintain regular communication with athletes by following the SafeSport regulations outlined in Appendix I.
- Maintain a collaborative working relationship with the MCC Board.

3. Policies

3.1.Expenses Policy

Any personal expenses incurred on behalf of the McLean Crew Club must be within the approved budget guidelines and approved in advance by the treasurer. All requests for reimbursement must be submitted in writing to the treasurer's attention with appropriate receipts attached.

3.2.Travel Policy

All athletes are required to travel as a team to out-of-town events using Club-provided transportation. If necessary, and with written approval, rowers may travel separately with a parent.

3.3.Boat Selection Policy

All boat selection will be at the coach's discretion. Further requirements and expectations for athletes will be communicated between athlete and coach. The coaches make the difficult decision of which athletes to put into which boats, using among many factors, some of the following criteria in their assessments:

Table 3

Rowers	Coxswains
1- Racing Experience and Past Performance	1- Steering
2- Ergometer Scores/Power-to-Weight Ratios	2- Technical Knowledge of Racing
3- Consistency	3- Racing Experience and Past Performance
4- Seat Racing Results	4- Leadership and Motivation
5- Coach Analysis of Boat-Moving Ability	5- Consistency
6- Attitude and Attendance	6- Attitude and Attendance

3.4. Fees Refund Policy

Members leaving MCC on good terms during the first two weeks of winter conditioning or spring training on the water are eligible for a partial refund of the corresponding dues payment.

Note: Refunds are not provided to athletes who leave the team based on a violation of Club rules. All fee information is subject to change by the Board.

3.5. Fundraising and Volunteer Policy

3.5.1. Overview

This policy outlines the applicability and guidelines for administering the McLean Crew Club volunteer commitment program:

- “Athlete” refers to both rowers and coxswains.
- “Family” refers to the athlete and their parents/guardians/adult family members and friends who wish to participate in support of the athlete.
- “Parent” refers to the parents/guardians (or, alternatively, other adult family members) who wish to participate in support of the rower.
- “Student” refers to the McLean High School student participating in the MCC as a rower or coxswain.
- “Member” refers strictly to the athlete and their parents/guardians.

3.5.1.1. Benefits

The MCC and its members benefit from volunteer and fundraising activities:

- The activities of the Club are **sustained** operationally and financially so that the physical and emotional benefits of this team sport can continue.
- The team maintains its competitiveness because it is able to support fall Learn to Row sessions and winter conditioning programs (in addition to the spring regatta season), as well as equipment needs.
- All members are united in a communal commitment and interest in the students’ enjoyment and success in the sport of rowing.

3.5.1.2. Obligation

Each member of the McLean Crew Club is required to pay a fee for the season depending on the payment option selected. See Section 2.1.1. Commitment Summary for an explanation of the Club's payment options. In addition, there are mandatory participation requirements for fundraising efforts and volunteer positions. Members who do not meet the mandatory fundraising and volunteering participation will be required to pay additional fees. Those opting out of general volunteer activities by choosing option 3 in Table 1 on page 4, are not exempt from volunteer requirements for Mulch Madness weekend.

Dues may be paid in full at any time, but no more than in three payments, due on **November 7, 2023, February 28, 2024, and April 15, 2024**. Athletes joining the program after those dates must pay all fees due up to the date they join the team unless alternative arrangements are made in advance. To make payment arrangements, contact the MCC President. **Fee payments must be current in order for an athlete to practice or compete.**

3.5.1.3. Responsibility

The VP for Ways & Means administers the fundraising programs and the Member At-Large (Volunteers) coordinates volunteering efforts. They are responsible for addressing any questions regarding fundraising and volunteer requirements related to this policy statement established by the Club's Board of Directors. The Club offers a variety of activities throughout the year by which families may meet their volunteer and fundraising goals. Any unresolved issues will be forwarded to the Club's Board of Directors for final resolution.

3.5.1.4. Fundraising Participation

Fundraisers are critical to meet the expenses incurred throughout the year to maintain and operate the MCC. Without fundraising, fees alone would have to cover the entire amount of MCC's expenses – this would create an unacceptable financial burden for most families. A portion of fundraising profits will be put into a Capital Fund to allow for future investments in equipment. To meet these fundraising goals, *full* participation of all families is necessary.

To keep costs down, every family is responsible for the fundraising efforts on behalf of each student registered with the McLean Crew Club. Any amount listed below not raised by the student or family for each fundraising event will need to be paid to the club as part of the family's financial obligation to MCC.

Fundraising Commitment per Student: (may be raised externally or contributed directly by family)

Table 4

Fundraising Event	Estimated Sales Goal	Possible Monetary Amount
Ergathon and Winter Sales Fundraiser	NA	\$950
Mulch Sales	200 bags	\$450

3.5.1.5. Volunteer Participation

Parent volunteers fulfill the Board and committee responsibilities. The willing and energetic support of this group makes it possible to accomplish the legal and administrative functions of the MCC. Calls for committee chairs and participants throughout the year afford parents a rewarding opportunity to work for the athletes’ success. Activities in Section 5, Table 5, Volunteer Opportunities, earn volunteer credits. Each family is expected to participate in Mulch Madness delivery weekend (scheduled for March 2-3, 2024), regardless of payment option selected. Families with more than one athlete registered with McLean Crew Club will only be required to fulfill one Mulch Madness parent volunteer shift but are expected to meet the remainder of their family’s total volunteer commitment by completing other volunteer opportunities. A charge of \$1,000 will be assessed for any family not volunteering for at least one entire mulch delivery weekend volunteer shift.

Some examples of volunteer activities include:

- Bus Chaperone duty to and from spring practice
- Regatta Volunteer Position (VASRA assigned job or MCC job)
- Fundraising event shifts
- Operational volunteer positions (Board members, coordinator/lead positions, committee members)

A \$450 charge will be assigned for each unfulfilled volunteer credit before the end of the Spring Season. For example, if a family chooses Membership Option 1, they are required to fulfill 6 volunteer credits throughout the school year. They can contact the Member At-Large (Volunteers) anytime for an update on their credit tally. If they only fulfill 4 credits, for example, they will be charged \$900 for the two unfulfilled credits. A family can volunteer for shifts and positions by:

- signing up for volunteer opportunities at general membership meetings
- contacting a Committee Chair
- contacting the Board Member in charge of the committee or the Member-At-Large (Volunteers)

- signing up for volunteer opportunities advertised online via SignUpGenius

3.5.2. Earning and Accounting

Both fundraising and volunteer efforts will be tracked throughout the membership season. The VP for Ways & Means will work with fundraising event coordinators to record member fundraising efforts. The \$1400 fundraising opportunity per athlete must be met by the conclusion of the Mulch Madness fundraiser scheduled in March 2023, unless other arrangements are made with the Club's President. Parents receive volunteer credit(s) for each volunteer job completed during the season. The Member At-Large (Volunteers) will maintain a spreadsheet of all members, their volunteer goals, and completed volunteer shifts. Each family must meet, or be scheduled for, its volunteer commitment by April 1, 2024. A record of completed volunteer credits earned will be available at each monthly meeting after the official start of the season, which starts after tryouts. Families still needing to fulfill additional volunteer jobs will be informed of opportunities to earn them.

Many fundraisers give the students and families opportunities to work together and contribute to the coaches' team-building goals. The Club retains only the most profitable fundraisers to fulfill its mission. A family can also earn volunteer credit for these fundraisers by signing up to participate in the approved activities planned for the year.

- The VP Ways & Means may set minimum age requirements for family member participation in specific fundraising events
- Participants are responsible for signing in with the fundraising coordinator at the time of the event to be awarded volunteer credit. The fundraising coordinator is responsible for forwarding the sign-in sheets to the Member At Large (Volunteers) in charge of tracking volunteer efforts
- The Member At-Large (Volunteers) will update and make available the current member volunteer credits on a monthly basis

3.5.3. Donations

Donations are always welcome, at any level. Large corporate donations, grants, or sponsorships are highly desirable. Please contact the VP for Ways & Means if you are able to arrange such donations. Door-to-door, telephone, or shopping center solicitations for donations may be done only with prior written approval of the MCC Board of Directors.

MCC is a 501(c)(3) charitable organization, so monetary donations may qualify as a tax-deductible contribution. Please note, **membership fees are not donations.**

3.5.4. Crediting

Every effort is made to ensure that an accurate record of commitments and earnings is maintained for every family. This relies on accurate reporting to the VP for Ways & Means and Member At-Large (Volunteers). Fundraising efforts and volunteer credits are earned on an annual basis and cannot be carried over to the following rowing season (academic year). Volunteer credits are

earned after the Annual Membership meeting in June of one year through the Annual Membership meeting of the following year. Fundraising efforts and volunteer credits cannot be transferred to another family. Families whose volunteer commitments are not met by the volunteer deadline date must immediately remit payment for \$450 per volunteer credit deficit. A charge of \$1,000 will be assessed for any family not volunteering for at least one entire mulch delivery weekend volunteer shift.

The award of varsity letters and or other graduation awards may be withheld until fundraising and volunteering balances are cleared with the Club.

If a student withdraws from the program during the season (with the exception of condition noted above in Section 3.4, Fees Refund Policy), their fundraising and volunteer credits earned are:

- Not refundable to the athlete
- Not transferable to another athlete (other than a sibling)
- Not pro-rated if the athlete participates during only part of the year

3.5.5. Credit Accounting

The Member At-Large (Volunteers) will report the results to the membership on a recurring basis. If there is a discrepancy between reported earnings and the family's records, the athlete/parent should contact the person in charge of the event for which they received no credit.

The Member At-Large (Volunteers) will update the records based on feedback from the person in charge of the event. If the discrepancy is unresolved, the athlete/parent should bring the issue to the attention of the Club's Board of Directors for resolution.

3.5.6. Enhanced Earnings

We are always very proud of overachievers who earn in excess of their commitment! Although surplus credits cannot transfer from year to year or athlete to athlete (other than siblings), the extra credits earned will benefit the students, their families, and the Club.

3.6. Communications

- **All Mail:** (correspondence/payments) should be directed to the McLean Crew Club, PO Box 7104, McLean, VA 22106.
- **Web Page:** The MCC web page is a great source of information about the crew program. It contains timely information, regatta schedules and results, photographs and forms. All website information must be submitted to the Board for approval prior to posting. The MCC web page address is www.mcleancrew.org.
- **Email:** All email messages meant to reach the general membership must be submitted through the Board and distributed at its discretion. Club-related emails are typically sent to groups of individuals (e.g., male athletes, female athletes, parents, board members, etc.). You are encouraged to sign up on our website to receive emails intended for one or more of these groups.

- **Publicity:** All media submissions must be submitted to and approved by the Board. The Club President or another Board designee must handle all media inquiries. Non-Board members may not speak on behalf of the MCC.
- **Coaches:** Parents who have questions or concerns about their athlete and their role on the team should first contact the Team Parent Liaison and/or the Club President, rather than the coaches. The athlete should be the primary communicator with their coach.

4. 2023-2024 Program

4.1. Fees Description

4.1.1. Fees and Volunteer Commitments per Athlete/Family

Because funds must be available all year to meet scheduled payments (boat storage, equipment purchases, fees and insurance, etc.) and operational support takes place year-round, three separate payment dates are necessary. Full fees may be paid at any time before the payment plan due dates. Athletes must remain current with fees and pay by the due date to continue program participation and competition. Athletes joining the program later in the year must immediately pay all fees due up to the date they join the team. The annual fee includes transportation for team members to weekday practices in the spring season but does not include uniforms or travel to local or out-of-town regattas.

Boat goes to Stotesbury and Nationals	\$3,925	\$5,175	\$6,425	

Please see Section 3.4 Fees Refund Policy for details on the Club’s refund policy.

Please refer to Section 3.5.1.5 Volunteer Participation for details on the Club’s Membership volunteer requirements.

Please read Fundraising Commitment sections (Section 2.2.3 and Section 3.5.1.4) for details about the mandatory fundraising requirements for athletes and parents, respectively.

4.1.2. Descriptions of Fee-Based Activities

All athletes are charged an annual fee for membership in the MCC, regardless of participation. Participation in the fall 2023 Learn to Row program is voluntary. The fees associated with the Learn to Row program are not included as part of the Membership fees described above, and athletes must provide their own transportation to the boathouse. Participation in the Winter 2023-2024 Indoor Conditioning program is expected, and strongly encouraged by coaches. Participation in the Spring 2024 practice and regatta season is mandatory and transportation to and from MHS and Thompson’s Boat Center (TBC) for practices will be provided for athletes during the school week.

5. Volunteer Opportunities and Credits

Since MCC is a parent run volunteer organization, family support is required beyond the prompt payment of fees. Parent involvement in fundraising activities and operational tasks is necessary. The typical volunteer shift is approximately 4 hours in length and is worth one volunteer credit. However, many lead volunteer and fundraising coordinator positions are assigned multiple credits. Family participation in the annual Mulch Madness fundraiser is required by all members (these shifts are in addition to the credits you commit to earning in your membership agreement). Fundraisers may be added, cancelled, or modified, as determined by the VP of Ways & Means and the Board of Directors. Volunteer credits may also be adjusted, as determined by the Member at Large (Volunteers) and the Board of Directors. Adjustments during the season are limited, but recommended improvements are welcome.

5.1. Volunteer Opportunities

Families choosing Dues Options 1 or 2 must earn 6 or 3 volunteer credits respectively. Volunteer jobs vary from a minimum credit value of ½ credit for a two-hour shift to a maximum of 6 credits for serving on the Board. A list of jobs and their accompanying credits is available on the MCC Website at www.mcleancrew.org/volunteering.

5.2. Mulch Madness

At least 1 parent per family must work a full 8-10 hour day, either on Saturday, March 2 or Sunday, March 3, 2024 (weather cancellation backup dates, March 9-10). This is in addition to the volunteer commitments related to their choice of dues. All athletes are required to work both days.

Failure to meet Mulch Weekend obligation: Nobody is exempt from Mulch Weekend – all hands-on deck are needed. Therefore, a \$1,000 charge will be assessed for any family not completing at least one entire mulch delivery weekend shift. The Board may, at their discretion, waive the charge if warranted by special circumstances.

6. Introduction to Rowing

6.1. Boat Organization

The **UPPER BOATS** are the top of our program. Athletes who reach this status are experienced rowers with the talent and dedication to train and race at a high level. First priority is selection of the First Eights and/or First Fours. After that, qualified athletes may try out for the Second Eights and/or Second Fours. Upper Boats normally travel to away regattas, but the final decision rests with the coach. Success in Upper Boats requires year-round training.

The **LOWER BOATS** are the starting point for all athletes, and this is where the basics are learned. These boats do not always compete at championship regattas. Lower Boats will travel to away regattas at the coach's discretion.

6.2. Season Organization

The MCC supports three seasons, as described below:

6.2.1. Fall Rowing Program

The Fall Learn to Row program introduces new athletes to the sport through on-the-water experience. Weather permitting, there is a period of on-the-water training for freshmen and novice athletes that provides an introduction to the sport. The Club may provide this program in cooperation with other rowing programs. On-the-water training is done out of Thompson Boat Center on the Potomac waterfront in Georgetown. Parents are responsible for arranging transportation to the boathouse for this program.

MCC may offer the opportunity to the athletes to begin their conditioning using ergometers (rowing machines) and weight training outside of the fall Learn to Row program. Indoor activities take place primarily at McLean High School before and after school hours.

Virginia High School League (VHSL) and VASRA rules prohibit MCC from offering any more significant rowing opportunities for the Club's athletes in the fall. A number of local rowing clubs offer fall competitive rowing programs, and the Club encourages its athletes to experience the challenge of head racing, (longer races rowed for times) during this season. Participation in fall programs is not coordinated by MCC.

6.2.2. Winter Conditioning Program

Also known as the "Indoor Rowing Season," the winter conditioning program builds strength and allows student rowers the opportunity to compete regionally, nationally, and internationally on ergometers.

At the end of January, athletes will, barring the cancellation of events, have the opportunity to participate in off the water competitions such as the W&L triathlon, Yorktown Sprints, and the Mid-Atlantic Erg Sprints. The Mid-Atlantic Erg Sprints, held in Alexandria, Virginia brings together hundreds of rowers of all ages from Virginia, Maryland, and District of Columbia and other areas as they compete against the clock, rowing on ergometers over prescribed distances. This daylong event involves all rowers as they participate in age- and skill-appropriate events.

MCC's fall and winter conditioning and training programs have made the Club very competitive in all indoor rowing events, and participation in local events is expected.

6.2.3. Spring Season

The spring season will start in February (weather permitting; this is when spring sport practices are allowed by the VHSL) and run through the end of local, regional, and national competitions in May. During this time, weather permitting, MCC plans to compete in five or six local and regional regattas. Potential regatta venues include the Potomac River (DC), Sandy Run Regional Park (VA), Schuylkill River (PA), and Lake Lenape (NJ). The Club also will compete in the Virginia Scholastic Rowing Championships. The Club also may participate in other, out-of-area regattas, depending on scheduling and available resources.

Spring Schedule

- Practice will be held five to six days after school, beginning at the start of Spring sports season. Bus transportation for athletes will be provided from McLean High School to Thompson Boat Center each weekday afternoon. The bus schedule will be determined prior to the beginning of the Spring season. Parents of students who choose not to ride the bus are responsible for providing transportation in accordance with state laws and school regulations and with prior coach approval for this arrangement.
- Practices will be held on Saturday if a race is not scheduled for that day. Parents and athletes are responsible for providing transportation to and from Saturday practices.
- Additional practices may be scheduled. These practices could include early morning time slots when necessary. Parents and athletes are responsible for providing transportation to additional practices.
- Spring Break Training: Participation in the Spring 2024 practice and regatta season is mandatory and transportation to and from MHS and Thompson's Boat Center (TBC) for practices will be provided for athletes during the school week. During MHS's spring break (March 25-29, 2024), there will be (A) mandatory practices in the mornings; (B) optional team building events in the afternoon/evenings; and (C) regattas on Saturday, March 23, and March 30. Buses will provide transportation to and from spring break training and regattas but not social events.

7. Forms

Parents are responsible for completing and submitting all required forms for participation. Forms may be completed online using DocuSign or, under certain circumstances, can be downloaded and delivered to the “Crew” mailbox in the MHS Activities Office, or mailed to the Club’s P.O. Box (McLean Crew Club, PO Box 7104, McLean, VA 22106-7104).

INTRODUCTION

McLean Crew Club's goal is to pursue excellence in the sport of rowing. The club seeks to achieve this goal with a commitment to integrity, teamwork, and—above all—safety.

Rowing is a lifelong activity which allows athletes to have fun, compete, and spend time with friends. In particular, rowing encourages a healthy lifestyle and builds self-confidence by teaching goal setting, teamwork, and time management skills. Rowers are less likely to use tobacco products, drugs, and alcohol; they have higher graduation rates and are more likely to attend college.

Unfortunately, sport can be a high-risk environment for misconduct, including child physical and sexual abuse. Misconduct may damage an athlete's psychological well-being; athletes who have been mistreated experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and negative impacts on family, friends, and the sport. Misconduct often hurts an athlete's competitive performance and may cause them to drop out of sport entirely.

McLean Crew Club is committed to improving the development and safety of athletes and participants involved in rowing. McLean Crew Club publishes this McLean Crew Club SafeSport Policy (the "**Policy**") as a resource to guide the development, implementation and internal review of effective athlete safety and misconduct prevention strategies for rowing activities run by McLean Crew Club.

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 (Public Law 115-126) took effect in February 2018 ("**SafeSport Act**"). The SafeSport Act designated the United States Center for SafeSport (the "**Center**") as the official safe sport organization for all Olympic, Paralympic, Pan American, and Para Pan American sports in the United States. In an effort to prevent the emotional, physical, and sexual abuse of amateur athletes, the SafeSport Act requires national governing bodies and Paralympic sports organizations to implement both prevention training and prevention policies.

McLean Crew Club including all employees, contractors, volunteers, officials, board members, committee members and other designees, members, and organizational members (collectively, "**Participants**") are required to comply with the U.S. Center for SafeSport Code of the U.S. and Paralympic Movement (the "**Code**"), including its reporting requirements, available here: <https://uscenterforsafesport.org/wp-content/uploads/2020/03/2020-SafeSport-Code-04.01.20.pdf>

The Code serves as benchmark by which the Center or McLean Crew Club evaluates whether a Code violation has occurred. For violations that fall within the Center's jurisdiction, the Center will determine resolutions and sanctions in connection with the violation. McLean Crew Club will process Code violations that occur outside the Center's jurisdiction pursuant to the procedures outlined in the sections below.

The Code outlines prohibited conduct relating to the following categories for all Participants (hereinafter defined):

- Criminal Charges or Dispositions
- Child Abuse
- Bullying
- Harassment
- Hazing
- Sexual Misconduct
- Emotional Misconduct
- Physical Misconduct
- Aiding and Abetting
- Misconduct Related to Reporting
- Misconduct Related to the Center’s Process
- Other Inappropriate Conduct
- Violation of the Minor Athlete Abuse Prevention Policies (“MAAPP”)

All forms of misconduct are intolerable and in direct conflict with the Olympic ideals and those of US Rowing, McLean Crew Club, and Fairfax County Public School (FCPS) policies. On these thirteen points, we have a zero-tolerance policy for the coaches, athletes, crew officers, parent(s) and any outside vendors/contractors hired by McLean Crew Club to assist the team. McLean Crew Club expects everyone to conduct themselves in the highest standard, being supportive, positive, and inclusive to all those involved within and outside of McLean Crew Club.

Pursuant to the SafeSport Act as implemented by the Code, and McLean Crew Club, the Center has exclusive jurisdiction over all issues involving Sexual Misconduct and Child Abuse. Such issues are to be reported directly to the Center and appropriate local authorities. Such reports to the Center should be made through the reporting form found here:

<https://uscenterforsafesport.org/report-a-concern/>.

While non-sexual misconduct issues may be reported directly to the Center, McLean Crew Club encourages initial reporting of such matters to the relevant Member Organization using the Member Organization’s internal reporting processes.

I. DEFINITIONS

Adult or adult – Any individual 18 years of age or older.

Adult Participant – Any adult (18 years or older) who is:

- A member or license holder of McLean Crew Club or its Member Organizations
- An employee or board member of McLean Crew Club or its Member Organizations
- Within the governance or disciplinary jurisdiction of McLean Crew Club or its Member Organizations
- Authorized, approved, or appointed by McLean Crew Club or its Member Organizations to have regular contact with or authority over Minor Athletes. This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

Amateur Athlete – An athlete who meets the eligibility standards established by the National Governing Body or Paralympic sports organization for the sport in which the athlete competes.

Athlete – Any student athlete who participates in any McLean Crew Club licensed competition or McLean Crew Club sanctioned event.

Authority – When one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person.

Bullying - Bullying is an intentional, persistent, and repeated pattern of committing or willfully tolerating physical and non-physical behavior that is intended, or has the reasonable potential, to cause fear, humiliation, or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s) as a condition of membership. It includes any act or conduct described as bullying under federal or state law.

Center – The U.S. Center for Safe Sport.

Close-In-Age-Exception – An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete and is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception only applies within the prevention policies and not regarding conduct defined in the SafeSport Code.

Child, Children, Minor, and Youth – An individual who is, or is believed by the Respondent to be, under the age of 18. The terms child, children, minor and youth are used interchangeably throughout this policy.

Coach – Any adult who has or shares the responsibility for instructing, teaching, training, or advising an athlete in the context of rowing.

Dual Relationship – An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete's parent/guardian has provided written consent at least annually authorizing the exception.

Emotional Misconduct - Emotional misconduct involves a pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behavior includes verbal and physical acts, as well as actions that deny attention or support. It also includes any act or conduct (e.g., child abuse and child neglect) described as emotional abuse or misconduct under federal or state law.

Harassment - Harassment is a repeated pattern of physical and/or non-physical behavior intended to cause fear, humiliation, or annoyance, offend, or degrade, create a hostile environment; or reflect discriminatory bias in an attempt to establish dominance, superiority or power over an individual athlete or group based on gender, race, ethnicity, culture, religion, sexual orientation, gender expression or mental or physical disability. It includes any act or conduct described as harassment under federal or state law.

Hazing - hazing involves coercing, requiring, forcing, or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for joining a group or being socially accepted by a group's members. It includes any act or conduct described as hazing under federal or state law. Activities that fit the definition of hazing are considered to be hazing regardless of an athlete's willingness to cooperate or participate.

Minor Athlete – is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of McLean Crew Club or its Member Organizations.

Misconduct – Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six primary types of misconduct in sport: emotional, physical, and sexual misconduct, bullying, harassment, and hazing.

Participant – Any individual who: (a) currently is, or was at the time of a possible SafeSport violation, within the governance or disciplinary jurisdiction of McLean Crew Club, (b) is an Athlete or McLean Crew Club Designee, (c) a participant or attendee of a McLean Crew Club licensed competition or sanctioned event, including team staff, medical or paramedical personnel, administrator, official, or other athlete support personnel, employee, or volunteer, or (d) McLean Crew Club employees, contractors, volunteers, officials, board and committee members and other designees, members, and organizational members

Physical Misconduct – Physical misconduct involves contact or non-contact behavior that can cause physical harm to an athlete or other sport participants. It also includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g., child abuse, child neglect and assault).

Prohibited Conduct - The definitions of prohibited conducts below reflect portions of the definitions set forth in the US Rowing SafeSport Policy. The full definitions in the US Rowing policy as well as any FCPS definitions of misconduct must be understood by all McLean Crew Club Adult Volunteers staff and athletes.

Regular Contact – Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s).

Sexual Misconduct – including Child Sexual Abuse - Sexual misconduct involves any touching or non-touching sexual interaction that is nonconsensual or forced, coerced, or manipulated, or perpetrated in an aggressive, harassing, exploitative or threatening manner. It also includes any sexual interaction between an athlete and an individual with evaluative, direct, or indirect authority. Last, any act or conduct described as sexual abuse or misconduct under federal or state law (e.g., sexual abuse, sexual exploitation, rape) qualifies as sexual misconduct. This includes, but is not limited to:

- Sexual or gender-related harassment
- Non-consensual sexual contact (or attempts to commit the same)
- Non-consensual sexual intercourse (or attempts to commit the same)
- Sexual exploitation
- Bullying or hazing, or other inappropriate conduct of a sexual nature

II. MINOR ATHLETE ABUSE PREVENTION POLICIES (MAAPP)

The U.S. Center for SafeSport is committed to building a sports community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. McLean Crew Club supports this mission and is committed to ensuring our competition and training environments are free from abuse. This set of policies is for keeping young athletes safe.

A. AUTHORITY: PREVENTION TRAINING AND POLICIES

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and Paralympic sports organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.* 36 U.S.C. § 220542(a)(2)(E). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2)(C).

What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;
3. Recommended Prevention Policies.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. The Center recommends that parents first

complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction. These policies should be implemented alongside the SafeSport Code.

All McLean Crew Club members are required to read the MAAPP. This includes all athletes, coaches, referees, chaperones, board members, staff, etc., by following the link below:

<https://uscenterforsafesport.org/training-and-education/minor-athlete-abuse-prevention-policies/>

Is the MAAPP Different from the SafeSport Code?

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

Does the MAAPP Have Any Exceptions?

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and include:

1. A Close-in-Age Exception

This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has no authority over the Minor Athlete; and
- b. The Adult Participant is not more than four years older than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

3. Exceptions for Dual Relationships

This exception applies to certain policies when the Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete's parent/guardian at least annually.

B. REPORTING VIOLATIONS

Violations of these MAAPP policies can be reported to USRowing by submitting a USRowing Incident Report Form, which can be found at

https://usrowing.org/sports/2018/4/13/18827_132107104230772015.aspx, or by contacting the members of the Safe Sport Protection Team at: USRowingSafeSport@usrowing.org, or (609) 751-0713.

C. MAAPP PROVISIONS

i. PART ONE: SAFESPORT EDUCATION AND TRAINING POLICY

Our policies and procedures are in addition to any and all requirements of the Fairfax County Public Schools which require staff members and/or volunteers to report abuse, misconduct, and violations of the conduct as designated in this SafeSport Policy. To do so, staff members and/or volunteers must understand each of the misconducts and the policy that Mclean Crew Club has developed to supplement all reporting requirements.

SafeSport Training for Coaches, Parents & Volunteers

All McLean Crew Club coaches, referees, chaperones, board members, staff, etc. are **required** to complete SafeSport Trained Core once every four years (90 minutes) and required refresher courses in the interim years (30 minutes). Each parent must take the required courses individually.

You can access this training via <http://safesporttrained.org/>. New parents should create an account and returning parents should log on to their existing account.

New parents (or those that have not previously taken SafeSport training) should take SafeSport Trained Core. The thumbnail is dark blue with two female athletes celebrating. This course takes an estimated 90 minutes to complete and costs \$20.00.

If you have already taken the 90-minute Core training in previous years, you are likely due for a 30-minute Refresher Course: Refresher 1, Refresher 2, or Refresher 3. These thumbnails are orange and only one is required per year. Each refresher takes about 30 minutes and costs \$9.99.

YEAR ONE	SafeSport Trained Core
YEAR TWO	Refresher 1: Recognizing & Reporting Misconduct
YEAR THREE	Refresher 2: Preventing Misconduct
YEAR FOUR	Refresher 3: Creating a Positive Sport Environment
YEAR FIVE	SafeSport Trained Core

SafeSport Training for Adult Athletes (Ages 18+)

All McLean Crew Athletes ages 18 and up are **required** to complete SafeSport Trained Core . Adult athletes can access the training by logging into your individual profile on <https://membership.usrowing.org> with your member number and password. Click the SafeSport button in the menu bar on the left-hand side, and from the Catalog tab select the course for "SafeSport Trained Core". The thumbnail is dark blue with two female athletes celebrating. The course is estimated to take 90 minutes to complete.

Athletes who will turn 18 during the coming season are **encouraged** *with parental consent* to complete SafeSport Trained Core at the start of the season. Athletes can access the training by logging into your individual profile on <https://membership.usrowing.org> with your member number and password.

SafeSport Training for Minor Athletes (Under age 18)

All McLean Crew Athletes under the age of 18 (and who will not turn 18 during the season) are **encouraged** *with parental consent* to complete SafeSport for Youth Athletes each year.

Youth athletes can access the training by logging into your individual profile on <https://membership.usrowing.org> with your member number and password. Click the SafeSport button in the menu bar on the left-hand side, and from the Catalog tab select the course for "Youth Athlete". The course is estimated to take 20 minutes to complete.

Minor Athlete Abuse Prevention Policy (MAAPP)

All McLean Crew Club members are **required each year** to read the MAAPP. This includes all athletes, coaches, referees, chaperones, board members, staff, etc., by following the link below:

<https://uscenterforsafesport.org/training-and-education/minor-athlete-abuse-prevention-policies/>

ii. PART TWO: POLICIES FOR ONE-ON-ONE INTERACTIONS

The majority of child sexual abuse is perpetuated in isolated, one-on-one situations. By reducing such interactions between children and adults, programs reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions must protect children while allowing for these beneficial relationships.

A. ONE-ON-ONE INTERACTIONS

All one-on-one In-Program Contact between an Adult Participant and an Athlete must be **observable and interruptible**, except in emergency circumstances.

B. MEETINGS AND TRAINING SESSIONS

Adult Participants must follow the one-on-one interaction policy in all meetings and training sessions where Athlete(s) are present.

C. MESSAGES AND RUBDOWNS/ATHLETIC TRAINING MODALITIES (ALL HEALTHCARE PROVISION)

All In-Program athletic training modalities, massages, or rubdowns of an Athlete must:

- Be **observable and interruptible**; and
- Have another Adult Participant physically present for the athletic training modality, massage, or rubdown; and
- Have documented consent as explained in subsection (2) below; and
- Be performed with the Athlete fully or partially clothed, ensuring that the breasts, buttocks, groin, or genitals are always covered.

D. AREAS WHERE ATHLETES CHANGE

(including, but are not limited to, locker rooms, the boathouse, and restrooms)

Adult Participants must ensure that all one-on-one In-Program Contact with Athlete(s) in a locker room, changing area, or similar space where Athlete(s) are present is **observable and interruptible**.

E. ELECTRONIC COMMUNICATIONS

All one-on-one electronic communications between an Adult Participant and an Athlete must be **Open and Transparent**

- **Open and Transparent** means that the Adult Participant copies or includes the Athlete's parent/guardian, another adult family member of the Athlete, or another Adult Participant.

- If an Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.
- Only platforms that allow for **Open and Transparent** communication may be used to communicate with Athletes.
- When an Adult Participant communicates electronically to the entire team or any number of Athletes on the team, the Adult Participant must copy or include another Adult Participant or the Athletes' parents/guardians.
- All electronic communication originating from an Adult Participant(s) to an Athlete(s) must be professional in nature.
- Parents/guardians may request in writing that the Organization or an Adult Participant subject to this policy not contact their Athlete through any form of electronic communication. McLean Crew Club/Member Organization and the Adult Participant must abide by any request to discontinue, absent emergency circumstances.

F. TRANSPORTATION

An Adult Participant cannot transport an Athlete one-on-one during In-Program travel.

G. LODGING

All In-Program Contact at a hotel or lodging site between an Adult Participant and an Athlete must be observable and interruptible, and an Adult Participant cannot share a hotel room or otherwise sleep in the same room with Athlete(s). Adult Participants that travel overnight with Athlete(s) are deemed to have Authority over Athlete(s) and thus must comply with the McLean Crew Club's Education & Training Policy.

H. MONITORING METHODS

McLean Crew Club utilizes multiple monitoring methods to observe how individuals are interacting, including without limitation (1) formal supervision, including regular evaluations; and (2) informal supervision, including regular and random observation (e.g., roving and checking interactions throughout practices), and (3) maintaining frequent contact with staff members, volunteer and athletes who interact off-site.

III. PROHIBITED CONDUCT

All Participants are bound by and must comply with this Policy as well as the Code. Participants are responsible for knowing the information outlined herein, and in the Code, and by virtue of being a Participant, have expressly agreed to this Policy and the Code, including the applicable policies and procedures.

Participation in McLean Crew Club licensed, and sanctioned activities is a privilege, not a right. Such participation may be limited, conditioned, suspended, terminated, or denied if a Participant's conduct is or was inconsistent with the Code, this Policy, and/or the best interests of the sport of rowing and those who participate in it. It is a violation of this Policy for a Participant to engage in or tolerate: (i) Prohibited Conduct; (ii) any conduct that would violate any current or previous Center or McLean Crew Club standards analogous to Prohibited Conduct that existed at the time of the alleged conduct; or (iii) any conduct that would violate community standards analogous to Prohibited Conduct that existed at the time of the alleged conduct, including then-applicable criminal and/or civil laws.

McLean Crew Club formally adopts the definitions of Prohibited Conduct contained in the Code and set forth below. Any changes to the Code's categories and definitions of misconduct are immediately adopted by McLean Crew Club and effective upon the Center's publication of them unless otherwise noted.

Prohibited Conduct includes:

- Criminal Charge or Disposition
- Child Abuse
- Sexual Misconduct
- Emotional and Physical Misconduct, including Stalking, Bullying, Hazing, and Harassment
- Aiding and Abetting
- Misconduct Related to Reporting
- Other Inappropriate Conduct
- Violation of USRowing MAAPP

All Participants must familiarize themselves with each form of misconduct and the policies herein and in the Code and must refrain from engaging in misconduct and/or violating any of these policies.

A. CRIMINAL CHARGE OR DISPOSITION

It is a violation of this Policy for a Participant to have a Criminal Charge or Disposition. Criminal Conduct is relevant to an individual's fitness to participate in sport. The age of a Criminal Charge or Disposition is not relevant to whether a violation of this Policy occurred but

may be considered for sanctioning purposes. A Participant who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to be a Participant.

B. SEXUAL MISCONDUCT AND CHILD ABUSE

McLean Crew Club applies the same policies prohibiting Sexual Misconduct and Child Abuse as the applicable policies of the Code, which can be found here:

<https://www.uscenterforsafesport.org>. All persons within the jurisdiction of McLean Crew Club shall comply with the Sexual Misconduct and Child Abuse policies of the Code. Any violation of the Sexual Misconduct or Child Abuse policies of the Code by a Participant shall subject such person to appropriate disciplinary action by the Center and/or McLean Crew Club, including, but not limited to, suspension, permanent suspension, and/or referral to law enforcement authorities.

Prohibited Conduct and Jurisdiction: The Center shall have authority and jurisdiction over the investigation and resolution of any allegations of violations by any Participant of the Sexual Misconduct policies set forth in the Code, which prohibit sexual behavior involving minors by any adult Participant and in some cases between minors, including without limitation, (as such terms are defined in the Code):

- Sexual or Gender-related Harassment
- Non-consensual Sexual Contact
- Non-consensual Sexual Intercourse
- Sexual Exploitation
- Bullying or Hazing or Other Inappropriate Conduct of a sexual nature, including:
 - An adult Participant engaging in an intimate or romantic relationship where a Power Imbalance exists.
 - An Adult Participant exposing a minor to imagery of a sexual nature
 - An Adult Participant intentionally exposing private areas, or inducing another to do so, to an adult where there is a Power Imbalance, or to a minor, or
 - An Adult Participant engaging in inappropriate physical contact with a Participant where a Power Imbalance exists.

The Center shall also have authority and jurisdiction over the investigation and resolution of reports or allegations of McLean Crew Club SafeSport policies other than Sexual Misconduct (e.g., Physical Misconduct, Bullying, Locker Room Policy, etc.) where such conduct is reasonably related to and accompanies a report or allegations involving Sexual Misconduct.

C. EMOTIONAL AND PHYSICAL MISCONDUCT

It is a violation of this Policy for a Participant to engage in Emotional or Physical Misconduct, when that misconduct is reasonably related to sport, which includes, without limitation:

- Emotional Misconduct
- Physical Misconduct

- Bullying Behaviors
- Hazing
- Harassment
- Threats

1. Emotional Misconduct

Emotional Misconduct includes: (i) Verbal Acts, (ii) Physical Acts, (iii) Acts that Deny Attention or Support, (iv) Criminal Conduct, and/or (v) Stalking. Emotional Misconduct is determined by the objective behaviors, not whether harm is intended or results from the behavior.

- Verbal Acts: Repeatedly and excessively verbally assaulting or attacking someone personally in a manner that serves no productive training or motivational purpose.
- Physical Acts: Repeated and/or severe aggressive behaviors, including but not limited to, throwing sport equipment, water bottles or chairs at or in the presence of others, punching walls, windows or other objects.
- Acts that Deny Attention or Support: Ignoring or isolating a person for extended periods of time, including routinely or arbitrarily excluding a Participant from practice.
- Criminal Conduct: Emotional Misconduct includes any act or conduct described as emotional abuse or misconduct under federal or state law (e.g., child abuse, child neglect).
- Stalking: Stalking when a person purposefully engages in a course of conduct directed at a specific person, and knows or should know, that the course of conduct would cause a reasonable person to (i) fear for their safety, (ii) the safety of a third person, or (iii) to experience substantial emotional distress.
 “Course of conduct” means at least two or more acts, in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person’s property.
 “Substantial emotional distress” means significant mental suffering or anguish.
 Stalking also includes “cyber-stalking,” wherein a person stalks another using electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact.
- Exclusion: Emotional Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance. Emotional Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant’s participation.

2. Physical Misconduct

Physical Misconduct is any intentional contact or non-contact behavior that causes, or reasonably threatens to cause, physical harm to another person.

Examples of Physical Misconduct may include, without limitation:

- a. Contact Violations: Punching, beating, biting, striking, strangling, or slapping another; intentionally hitting another with objects, such as sporting equipment; encouraging or knowingly permitting an Athlete to return to play prematurely following a serious injury (e.g., a concussion) and without the clearance of a medical professional.
- b. Non-Contact violations: Isolating a person in a confined space, such as locking an Athlete in a small space; forcing an Athlete to assume a painful stance or position for no athletic purpose (e.g., requiring an athlete to kneel on a harmful surface); withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; providing alcohol to a person under the legal drinking age; providing illegal drugs or non-prescribed medications to another.
- c. Criminal Conduct: Physical Misconduct includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g., child abuse, child neglect, assault).
- d. Exclusion: Physical Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building appropriate discipline, or improved Athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports but have no place in rowing. Physical Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participants participation.

3. **Bullying Behavior**

Repeated and/or severe behavior(s) that are (i) aggressive, (ii) directed at a Minor, and (iii) intended or likely to hurt, control, or diminish the Minor emotionally, physically, or sexually. Bullying-like behaviors directed at adults are addressed under forms of misconduct, such as Hazing and/or Harassment.

Examples of Bullying Behavior may include, without limitation, repeated and/or severe:

- a. Physical: Hitting, pushing, punching, beating, biting, striking, kicking, strangling, spitting, or slapping, or throwing objects (such as sporting equipment) at another person.
- b. Verbal: Ridiculing, taunting, name-calling or intimidating or threatening to cause someone harm.
- c. Social Media, Including Cyberbullying: Use of rumors or false statements about someone to diminish that person's reputation; using electronic communications, social media or other technology to harass, frighten, intimidate or humiliate someone; socially excluding someone and asking others to do the same.
- d. Criminal Conduct: Bullying Behavior includes any conduct described as bullying under federal or state law.
- e. Exclusion: Conduct may not rise to the level of Bullying Behavior if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Bullying does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

4. Hazing

Any conduct that subjects another person, whether physically, mentally, emotionally, or psychologically, to anything that may endanger, abuse, humiliate, degrade or intimidate the person as a condition of joining or being socially accepted by a group, team, or organization. Purported Consent by the person subjected to Hazing is not a defense, regardless of the person's perceived willingness to cooperate or participate.

Examples of Hazing include:

- a. Contact Acts: Tying, taping, or otherwise physically restraining another person; beating, paddling or other forms of physical assault.
- b. Non-Contact Acts: Requiring or forcing the consumption of alcohol, illegal drugs or other substances, including participation in binge drinking and drinking games; personal servitude; requiring social actions (e.g., public nudity) that are illegal or meant to draw ridicule; excessive training requirements demanded of only particular individuals on a team that serve no reasonable or productive training purpose; sleep deprivation; otherwise unnecessary schedule disruptions; withholding of water and/or food; restrictions on personal hygiene.
- c. Criminal Acts: Any act or conduct that constitutes hazing under applicable federal or state law.
- d. Exclusion: Conduct may not rise to the level of hazing if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as a part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Hazing does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

5. Harassment

Repeated and/or severe conduct that (a) causes fear, humiliation or annoyance, (b) offends or degrades, (c) creates a hostile environment (as defined above), or (d) reflects discriminatory bias in an attempt to establish dominance, superiority or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical disability; or (e) any act or conduct described as harassment under federal or state law. Whether conduct is harassing depends on the totality of the circumstances, including the nature, frequency, intensity, location, context, and duration of the behavior.

Conduct may not rise to the level of Harassment if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as a part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Harassment does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

6. Threats

A Participant violates this Policy by threatening to harm another Participant. A threat to harm others includes any written, verbal, physical or electronically transmitted expression of intent to physically injure or harm someone else. A threat may be communicated directly to the intended victim or communicated to a third party. Threatening behavior by a Participant is prohibited in any manner in connection with any McLean Crew Club-sanctioned activities or events.

D. AIDING AND ABETTING

Aiding and Abetting occurs when one aids, assists, facilitates, promotes, or encourages the commission of Prohibited Conduct by a Participant, including but not limited to, knowingly:

1. Allowing any person who has been identified as suspended or otherwise ineligible by McLean Crew Club to be in any way associated with or employed by a Member Organization or organization affiliated with or holding itself out as affiliated with USRowing, an NGB, LAO, the USOPC, or the Olympic & Paralympic Movement.
2. Allowing any person who has been identified as suspended or otherwise ineligible by McLean Crew Club to coach or instruct Participants.
3. Allowing any person who has been identified as ineligible by McLean Crew Club to have ownership interest in a facility, an organization, or its related entities, if that facility/organization/ related entity is affiliated with or holds itself out as affiliated with an NGB, LAO, USOPC or the Olympic & Paralympic Movement.
4. Providing any coaching-related advice or service to an Athlete who has been identified as suspended or otherwise ineligible by McLean Crew Club.
5. Allowing any person to violate the terms of their suspension or any other sanctions imposed by McLean Crew Club.

In addition, a Participant also violates this Policy if someone acts on behalf of the Participant to engage in aiding or Abetting, or if the guardian, family member, or Advisor of a Participant, including Minor Participants, engages in Aiding or Abetting.

E. INTENTIONALLY FILING A FALSE ALLEGATION

Any person making a knowingly false allegation in a matter over which McLean Crew Club has jurisdiction shall be subject to disciplinary action by McLean Crew Club.

1. An allegation is false if the events reported did not occur, and the person making the report knows the events did not occur.
2. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable misconduct, an unsubstantiated allegation alone is not grounds for a violation.

F. MINOR ATHLETE ABUSE PREVENTION POLICIES/ PROACTIVE POLICIES

It is a violation of this Policy for a Participant to violate any provision of the MAAPP or other proactive policies adopted by McLean Crew Club (hereinafter set forth). Proactive policies set standards for professional boundaries, minimize the appearance of impropriety, and have the effect of preventing boundary violations and prohibiting grooming tactics.

G. WILLFUL TOLERANCE

A Participant violates this Policy by willfully tolerating any form of Prohibited Misconduct, when there is a Power Imbalance between that Participant and the individual(s) who are being subjected to the Prohibited Conduct.

REPORTING

This Policy is designed to reduce misconduct and abuse, but it can still occur. McLean Crew Club does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities. Participants shall follow the reporting procedures set forth in the reporting policy below.

A. REPORTING SEXUAL MISCONDUCT

All reports of Sexual Misconduct must be reported directly to the Center at www.uscenterforsafesport.org or (720)-531-0340. No statutes of limitation apply to reports of incidents of Sexual Misconduct. All such reports received by McLean Crew Club will be forwarded to the Center. Reporting such conduct to the Center does not satisfy an Adult Participant's obligation to report to law enforcement or other appropriate authorities consistent with federal law.

McLean Crew Club does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities.

B. RETALIATION

Retaliation is any adverse action taken by a Participant against a person participating in McLean Crew Club proceedings. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in McLean Crew Club's processes and proceedings when the action is reasonably related to the report or engagement with McLean Crew Club. Retaliation may be present even where there is a finding that no violation occurred.

Retaliation does not include good-faith action lawfully pursued in response to report of a McLean Crew Club Policy violation.

C. REPORTING NON-SEXUAL MISCONDUCT

For reporting any non-sexual misconduct, McLean Crew Club will take a report in the way that is most comfortable for the person initiating the report including an anonymous, in-person, verbal, or written report. Regardless of the method of reporting, it is helpful to McLean Crew Club to get the following information:

- The name of the Claimant(s)
- The type of misconduct alleged
- The name(s) of the alleged victims(s)
- The name(s) of the individual(s) alleged to have committed the misconduct.

Individuals may report non-sexual misconduct, including violations of the Minor Athletes Abuse Prevention Policies, to McLean Crew Club by completing an Incident Report Form. Required information on this form will include:

- The name(s) of the Claimant(s)
- The type of misconduct alleged
- The name(s) of the individual(s) alleged to have committed the misconduct
- The approximate date(s) and location(s) where the misconduct was committed
- The names of other individuals who might have information regarding the alleged misconduct
- A summary statement of the reasons to believe that misconduct has occurred.

Except for mandatory reporting to the authorities and the Center, McLean Crew Club will withhold the Claimant's name upon request, to the extent permitted by law. Any non-sexual misconduct can be reported to any of the McLean Crew Club members and or to the SafeSport manager. Claims can be reported by filling out the Non-Sexual Misconduct Incident Report Form which can be found on the McLean Crew Club website and the following page.

NON-SEXUAL MISCONDUCT INCIDENT REPORT FORM

For reporting any non-sexual misconduct, McLean Crew Club will take a report in the way that is most comfortable for the person initiating the report including an anonymous, in-person, verbal, or written report.

The name(s) of the Claimant(s):

The type of misconduct alleged:

The name(s) of the individual(s) alleged to have committed the misconduct:

The approximate date(s) and location(s) where the misconduct was committed:

The names of other individuals who might have information regarding the alleged misconduct:

A summary statement of the reasons to believe that misconduct has occurred:

V. RESPONDING TO ABUSE OR MISCONDUCT

McLean Crew Club will not enter into an investigation that undermines a pending legal investigation. This Policy addresses McLean Crew Club's disciplinary role where there is: (i) an allegation of misconduct, as defined in this Policy, that does not involve child abuse or sexual abuse, or (ii) an adverse employment determination by a local club for emotional, physical, or sexual misconduct as set forth in this Policy.

A. DISCIPLINARY RULES

On receipt of an allegation, McLean Crew Club will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant, (ii) the age of the respondent, and (iii) the nature, scope, and extent of the allegations.

McLean Crew Club will address allegations against a staff member and/or volunteer under relevant organizational policies.

McLean Crew Club's disciplinary response will depend on the nature and seriousness of the incident, and in extreme cases, misconduct will result in summary dismissal. McLean Crew Club may undertake a formal investigation and hearing at its discretion. Before taking any disciplinary action, however, McLean Crew Club will offer the respondent an opportunity to be heard. If the respondent is a minor, McLean Crew Club will first contact his or her parents or guardians.

B. DISCIPLINARY ACTION

Sanctions for violations of the Policy will be proportionate and reasonable under the circumstances. McLean Crew Club may take the following disciplinary actions, without limitation:

- Inform the Respondent's direct supervisor, or, in the case of a minor, the minor's parent or guardian
- Provide the Respondent with guidance, redirection, and instruction
- File a formal incident report
- Issue a verbal warning
- Issue a written warning
- Limit an individual's access to certain buildings, boathouses, competitions, or people
- Provide informed supervision, where at least one staff member is informed of the allegation and is instructed to supervise the respondent
- Engage in restorative and educational practices
- Suspend or terminate employment or membership

C. ONGOING EMPLOYMENT AND/OR PARTICIPATION

Upon receipt of a credible and specific allegation of child abuse, serious misconduct or any other violation of this Policy, McLean Crew Club may immediately suspend or terminate the Respondent's membership or employment as a means to ensure participant safety.

D. COMPLAINANT PROTECTION

Regardless of outcome, McLean Crew Club will support the Complainant and his or her right to express concerns. McLean Crew Club will not encourage or tolerate attempts from any individual to retaliate, punish, or in any way harm any individual who reports a concern in good faith. Any action to the contrary will be considered a violation of this Policy and grounds for disciplinary action by McLean Crew Club.

E. BAD-FAITH ALLEGATIONS

Any allegation of misconduct under this Policy that is determined to be frivolous, fraudulent, or otherwise made in bad faith, will be considered a violation of the Policy itself. Such reports may also be subject to criminal prosecution and/or civil proceedings.

VI. BACKGROUND CHECKS

McLean Crew Club uses a background check process in its support of its commitment to athlete safety. Any Adult Participant who is in a position of authority over athletes of any age or any Adult Participant who has regular contact with youth athletes is required to complete a background check every two years. The applicable Adult Participants shall undergo a background check that complies with the Fair Credit Reporting Act. Through this background check, McLean Crew Club will utilize reasonable efforts to ascertain criminal history. This McLean Crew Club Background Check Policy assists McLean Crew Club in promoting the safety and welfare of its athletes.

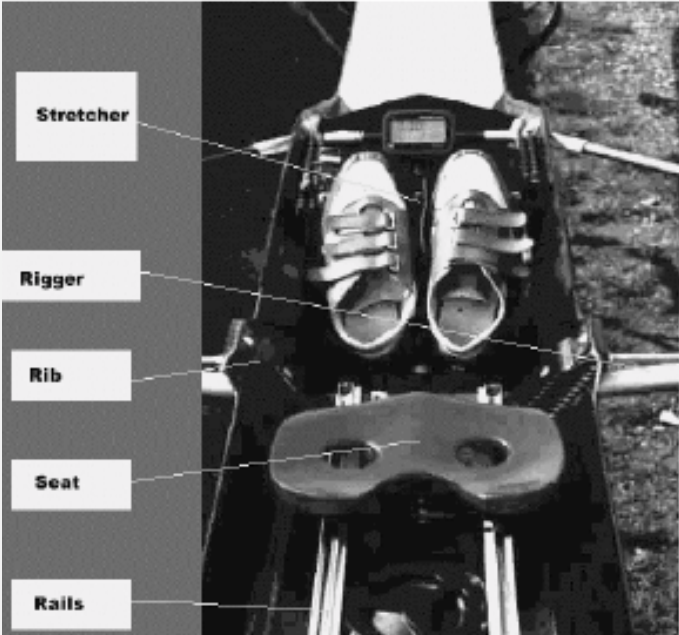

The background check must be completed before regular contact with any Minor or upon beginning a new role subjecting the adult to this Policy.

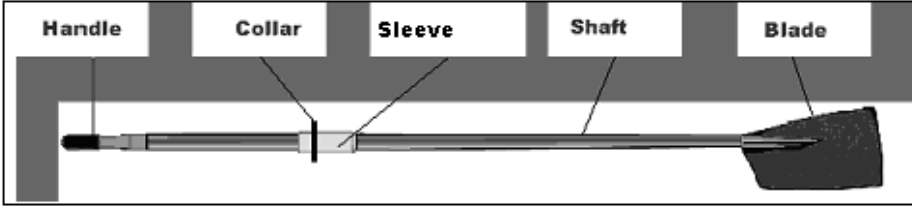

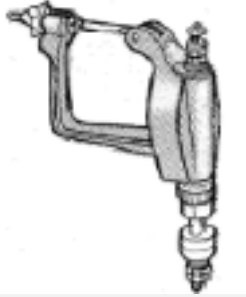

Background checks must be refreshed every two years.

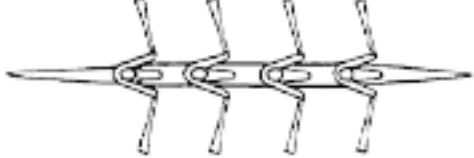

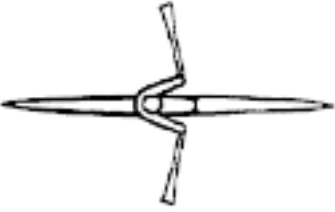

PROCESS

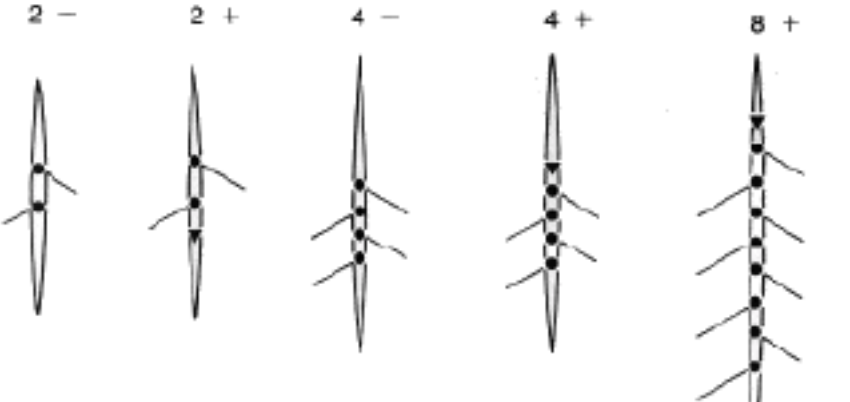

The Background Check Consent and Waiver Release Form must be submitted to McLean Crew Club 's third-party background check vendor and the McLean Crew Club Designee must be cleared before he or she may perform services for McLean Crew Club. Upon submission of the Background Check Consent and Waiver Release Form, McLean Crew Club will request that its vendor perform the background check.

Appendix II Introduction to Rowing Terms

Term	
Bow	The “front” of the boat as the boat is moving forward in the water. Also the position of the rower who sits in the “bow” or first seat from the front as the boat is moving forward.
Catch	The start of the rowing cycle at which the blade enters the water. It is accomplished by an upward motion of the arms only. The blade of the oar
Crab	Not a hard or soft-shelled edible. “Catching a crab” refers to a problem encountered by a rower when the oar gets “stuck” in the water, usually right after the catch or just before the release and is caused by improper squaring or feathering. The momentum of the shell can overcome the rower's control
Coxswain	The person in charge of the boat, particularly its navigation and steering. The coxswain, or “cox” will translate and implement coach orders to the rowers.
Drive	That part of the rowing cycle when the rower applies power to the oar. This is a more (or less) blended sequence of applying power primarily with a leg
Feathering	The act of turning the oar blade from a position perpendicular to the surface of the water to a position parallel to the water. This is done in conjunction
Finish	The last part of the drive before the release where the power is mainly coming
Foot Stretcher	<p>An adjustable bracket in a shell with attached sneakers or similar footwear for the rower’s feet.</p> 
Gunwale	(Pronounced gunnel) Top section on the sides of a shell which runs along the sides of the crew section where the rowers are located. The riggers are secured to the gunwale with bolts.
Keel	The center line of the shell. The term refers to the extent to which the boat is balanced from side to side while rowing. A "good keel" is where the shell

Term	
Bow	The “front” of the boat as the boat is moving forward in the water. Also the position of the rower who sits in the “bow” or first seat from the front as the boat is moving forward.
Oar	<p>The piece of equipment that each rower uses to propel the boat. In sweep rowing, each oar is approximately 12 feet long, lightweight, and well designed. Comprised of Handle, Collar or button, Sleeve, Shaft and Blade</p> <div style="text-align: center;">  <p>Spoon</p> </div> <div style="text-align: center;">  </div> <p>Hatchet: (aka big blades or choppers or cleavers) These oar blades have a bigger surface area than the standard, or spoon, blades and have a hatchet or meat cleaver shape.</p>
Oarlock	<p>A U-shaped swivel that holds the oar in place. It is mounted at the end of the rigger and rotates around a metal pin.</p> <div style="text-align: center;">  </div>
Port	The left side of the boat as it is moving forward and from the coxswain’s point of view. Port side rowers use oars on their right side.
Rating	The number of strokes per minute. Also known as “stroke rate.” Power 10 (or 15 or 20): A set of strokes when the crew makes an extra effort to “get everything on the oar and make the shell go faster.” Used in a race to try to
Recovery	Part of the rowing cycle from the release up to and including where the oar blade
Release	A sharp downward (and away) motion of the hand that serves to remove the oar blade from the water and start the rowing cycle.
Rigger	<p>The device that connects the oarlock to the shell and is bolted to the body of the shell.</p> <div style="text-align: center;">  </div>

Term	
Bow	The “front” of the boat as the boat is moving forward in the water. Also the position of the rower who sits in the “bow” or first seat from the front as the boat is moving forward.
Rigging	The adjustment and alteration of accessories (riggers, foot-stretchers, oars, etc.) in and on the shell. Examples of rigging adjustments that can be made are the height of the rigger, location of the foot-stretchers, location and height of the
Rudder	Steering device at the stern. The rudder is connected to cables (tiller ropes) that the coxswain uses to steer the shell.
Sculling	Each rower has two oars. These shells often do not have a coxswain. Steering is generally accomplished by applying more power or pressure to the oar(s) on one side of the shell, or with special steering shoes in the bow position of the boat. A sculling shell is configured so that each rower uses two oars.
Sculling Boats: Double (2X)	 <p data-bbox="444 835 1419 940">Two scullers. Most racing doubles also can be used as a pair with a different set of riggers designed for sweep oars. When used as a pair, a rudder is added. There are also recreational versions of sculling doubles.</p>
Sculling Boats: Quadruple (4X)	 <p data-bbox="444 1119 1451 1213">Four scullers. Often referred to as a “quad,” it usually has a rudder attached to one of the sculler’s foot stretchers as in the straight four. Most quads also can be rigged as a straight four using a different set of riggers.</p>
Sculling Boats: Single (1X)	 <p data-bbox="444 1455 1425 1518">One rower or sculler. These shells are about 26-feet long and less than a foot wide. Racing singles can weigh as little as 30 lbs.</p>
Shells	The boats (or shells) are of two types and reflect the two forms of rowing, sweep rowing and sculling. In sweep rowing, each rower handles a single oar (about 12.5 feet or 3.9 meters long); in sculling, a rower uses two oars, (each about 9.5 feet or 3 meters long). The boats are called shells because their hulls are only about 1/8” to 1/4” thick, to make them as light as possible. Shells are also rather long and as narrow as possible. Each rower has his/her back to the direction the shell is moving, and power is generated using a blended sequence of the rower’s legs, back, and arms. The rower sits on a sliding seat with wheels on a track called the slide. Each oar is held in a U-shaped swivel
Skeg	(or fin) A small fin located along the stern section of the hull. This helps to stabilize the shell in holding a true course when rowing. All racing shells

Term	
Bow	The “front” of the boat as the boat is moving forward in the water. Also the position of the rower who sits in the “bow” or first seat from the front as the boat is moving forward.
Slide	Two tracks on which the seat moves. The seat moves forward and backward on the slide, enabling the rower to “gather up” his or her body at the start of the stroke and then use the combined power of the legs, back, and arms when
Slings	(or boat slings) Collapsible/portable frames with straps upon which a shell can
Squaring	A gradual rolling of the oar blade from a position parallel to the water to a position perpendicular to the surface of the water. This is accomplished during the recovery portion of the rowing cycle and is done in preparation
Starboard	The right side of the boat as it moves forward, and from the coxswain’s point of view. Starboard side rowers in sweep boats use oars on the rower’s left side.
Stern	The back of the boat as the boat is moving forward. The coxswain’s seat in an eight, or other “stern-loaded” boat, is in the stern.
Stroke	One full motion to move a shell. This term also is used to refer to the sternmost rower, who sits nearest the coxswain.
Sweep Boats	<p>Shells configured so that each rower has one oar. These shells can have a coxswain, who steers the shell (using a rudder) and urges the rowers on. Oars on a sweep shell are normally alternated from side to side, but alternate rigging configurations are possible.</p> 
Sweep Boats: Coxed Four (4+)	See Sweep Boats Illustration: Four sweep rowers with a coxswain
Sweep Boats: Coxed Pair (2+)	See Sweep Boats Illustration: Two sweep rowers with a coxswain
Sweep Boats: Eight (8+)	See Sweep Boats Illustration: Eight sweep rowers with a coxswain. Eights are 60+ feet (18.5+ meters) long and weigh about 200 to 250 pounds.
Sweep Boats: Straight (or Coxless) Four (4)	See Sweep Boats Illustration: Four sweep rowers without a coxswain

Term	
Bow	The “front” of the boat as the boat is moving forward in the water. Also the position of the rower who sits in the “bow” or first seat from the front as the boat is moving forward.
Sweep Boats: Straight (or Coxless) Pair (2-)	See Sweep Boats Illustration: Two sweep rowers without a coxswain. Steering usually is accomplished with a rudder that is attached to a cable connected to one of the rower’s foot-stretchers. (There is an adjustable bracket to which the rower's feet are secured). The coxless four has a similar rudder set up.
