

## 2023 MCLEAN CREW CLUB Fall Wreaths, Fresh Winter Evergreens, and Paw Thaw Sale

Hello friends and neighbors,

I am a member of the McLean Crew Club. Our winter conditioning starts soon, and I'm excited about the season! As a club sport, we don't receive any funding from Fairfax County Public Schools, and all rowers need to help raise funds to maintain equipment and keep membership fees manageable for students.

If you are planning to purchase Fall and Winter greenery or ice melt this year, can you please order through me?

- This year we are excited to add **FALL WREATHS**, available for order through October 31st! *Wreaths will be shipped directly to you and your giftees!*
- **PREMIUM FRESH HOLIDAY EVERGREENS**, including door sprays, tabletop trees, centerpieces, and *more!* Fresh and fragrant, these evergreens are the perfect decorations for your home and gifts for your loved ones and friends. *All evergreens will be shipped directly to you and your giftees!*
- **PAW THAW**: pet-safe, biodegradable **ice melt** packaged in 12lbs jugs with a convenient shake top! This non-hygroscopic formula is water soluble, odorless, and less harmful to vegetation. *Rowers will be delivering Paw Thaw directly to customers! Local orders only.*
